Curriculum Feedback suggestions from Alumnae :

- More industry oriented projects need to be developed by students.
- Focus on current technologies and discuss them with students
- Add more industry oriented subjects.
- Better to make at least some courses for certification, as compulsory.
- very good education skills provided by college.
- Syllabus is needed to be concise
- Add more subjects which help in doing projects
- Please add more skill based learning
- More Industry related subjects with new technologies
- should be added Add subjects which are helpful for placements and to meet present career demand
