**Curriculum feedback suggestions from Student:**

- Please improve the order of courses, more recent technologies should be included
- Need more advanced topics to be taught
- If you provide more elective subjects means better to improve more technical knowledge
- Need more industry related electives and courses in third year.
- Few subjects are vast in syllabus
- Need more workshops on technical subjects
- Industrial visits should be part of the curriculum
- Reduce the number of subjects in final year
- Encourage gate aspirants encourage extracurricular activities
- Technical activities gd ,jam more career opportunities programs, financial education subjects should be added.
- Attendance criteria should not be considered.
- Provide more learning courses encourage extra-curricular activities
- Introduce practical ways of learning more application oriented subjects
- None needed but needed more student integrity
- Practical experience for internships should be provided
