**Stakeholder Curriculum Feedback(IT GNR-18)
Actions Taken
2022-23**

The stakeholder feedback report was put forward in the DAC meeting of IT department and a detailed discussion was made and the following actions were proposed:

- There is a mismatch between skills and jobs. This means that only academics is not providing skills that has demand in the market. There is a need for collaboration and partnership agreements with industry. When industry and higher education institutions work hand in hand to reach new heights of knowledge, they become a powerful engine for innovation and economic growth. To make the curriculum more industry oriented, the following actions were planned and put into effect from the academic year 23-24.
- Order of courses was modified for example DBMS to II year I sem and FullStack development to III year I sem.
- 4 choices for each PE given instead 3.
- Lab for cloud computing and Devops introduced.
- New technologies like FullStack development , Devops, Blockchain technology, NLP and AR and VR introduced.
