Dear **Nichita Reddy**,

Welcome to the FIU Panther Family! I am pleased to offer you conditional admissions to Florida International University for the Spring Term 2022\* in the College of Business Administration - Master's degree program in Information Systems. You are invited to be part of the ecosystem that is FIU. Your FIU is not just a traditional college campus, it is a place where real people from around the world gather to solve real problems – and make an impact through service, social entrepreneurship, innovation and improving social mobility.

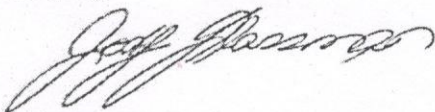

Admission to FIU is selective and we are certain that you are prepared for an education at FIU. As a Panther you will engage with our top faculty, staff and students from varying cultures, backgrounds and belief systems; each will add value to your educational experience and as a global citizen. You will also become part of a global family of scholars and alumni who have made an impact in industry, politics, health care, and culture.

In order to issue your documentation for your student visa, you will need to submit the following documents to the Office of International Admissions as soon as possible. If you need to complete a new Declaration and Certification of Finances form or a Transfer form, you can print them from our website at <https://internationaladmissions.fiu.edu/submit-documents/>. For questions please contact [jadmiss@fiu.edu](mailto:jadmiss@fiu.edu).

- Bank letter from sponsor showing sufficient funds in US Dollars in English
- Declaration of Finance
- Letter of support from your sponsor in English

On behalf of the entire FIU community, I extend you a warm welcome and look forward to having you join our vibrant graduate community!

Sincerely,

Jody Glassman  
Director of University Admissions

Your Panther ID is: 6341705  
Major: Information Systems

\* If you do not register for classes for this term, your admission will be withdrawn and your application will be inactivated. If you need to defer your start date, please send your request to the Information Systems department for their approval.
