May 5, 2023

Dear Ashritha Reddy,

On behalf of the Katz School of Science and Health at Yeshiva University, it is my pleasure to inform you that you have been accepted to the Data Analytics and Visualization (MS) degree for the Fall 2023 semester. Congratulations! We are also thrilled to offer you a **\$9,050.00 Science and Technology Fellows scholarship** for the program. A Science and Technology Fellows scholarship guarantees that your tuition will be \$25,000 for the length of the program plus semester fees. To maintain this scholarship, you must successfully complete your courses with passing grades and keep an overall GPA of 3.0 or above. Your total funding will be disbursed in equal amounts over the duration of the program.

The Katz School of Science and Health is dedicated to providing an exceptional education and world-class experience to the brightest minds, and competition for admission this year was rigorous. Your inclusion in this group is a testament to your hard work, superior academic achievements, and personal and professional qualities that distinguish you from your peers. We believe strongly in your potential for further success. Here, you will learn alongside a dynamic and creative student body, be surrounded by unparalleled diversity in the most vibrant city in the world, and eventually, join a global family of scholars and thought leaders who have the highest standards for success, learning, and creating change.

Once again, congratulations on your acceptance and welcome to the Katz School of Science and Health at Yeshiva University!

Sincerely,

Paul Russo, Ph.D. Vice Provost and Dean  
Katz School of Science and Health  
Yeshiva University
