Admission Information: Please review the [new student checklist](#) for important information to get you started in your graduate education at NC State!

Students are admitted to a specific semester or summer term. If you wish to request a deferral of your admission, you must notify the graduate program to which you applied. Your program must then send a written request to the Graduate School asking that your admission date be changed. If this request is approved, your online admission letter will be updated and you will be notified. Please note that admission may be deferred no more than one year beyond the original entry semester/year noted above. You have up to one year from original application submission date to request a deferral. Important information regarding registration is available at the following website: <https://studentservices.ncsu.edu/your-classes/registration/>.

Enrollment Information: Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a \$500 non-refundable enrollment deposit by **June 15 for Fall and Summer Terms, or November 15 for the Spring Term**. Note that some programs may require an earlier deadline for payment

Immunization Record and Report of Medical History: Submit your Report of Medical History to Student Health Services immediately upon acceptance to ensure you are in compliance with North Carolina Immunization law. We strongly encourage new students to submit records of required immunizations online at <https://sso.medicatconnect.com>. Check your NCSU e-mail for updates.

Transcripts: Please make sure that you have sent the Graduate School official transcripts of all coursework taken and all degrees awarded at any institution of higher learning that you have attended. If you are currently enrolled at such an institution, upon completion of your program there, you should ask the registrar to send the Graduate School an updated official transcript covering all work completed and a statement of any degree awarded, including the date awarded. All transcripts should be submitted prior to your enrollment at NC State.
