**IEEE STUDENT BRANCH****OWASP- A two-day workshop****Agenda:**

- The Open Web Application Security Project is a nonprofit foundation dedicated to improving software security.
- Anyone can participate in and contribute to OWASP-related online chats, projects, and more.
- Reflecting on recent events concerning hacking and cybersecurity, the issue of digital safety in e-learning environments is more relevant than ever

Therefore, IEEE SB GNITS is conducting a 2-day workshop on OWASP (Cybersecurity application)

- The session will include:
  - Introduction to web application
  - What is web app security?
  - OWASP top 10
  - Hands on hacking the web application vulnerabilities.
  - Capture the Flag/ quiz - goodies for winners
