Dear Mam, Greetings!

Sub: Reg Organising Career Guidance Program on Civil Services

Sat, May 28, 2022 at 11 16 /

This is Kalyani, Administrator of the Deeksha Foundation. Deeksha Foundation, is a non-profit Organisation for building community leadership and good citizenship. As you would appreciate, a country like India would need great leaders in the bureaucracy to help India grow on a global scale, bring transparency and efficiency with systems, and provide equitable benefits to society. At Deeksha, we believe that new generation engineers can make this difference with their engineering backgrounds when trained for administrative roles. However, a lot of students at the graduation level are not fully aware of the career options available in civil services for serving the country and we take pride in helping the students

To create awareness to the students about civil service as career options, we are organizing Career Guidance Programs at leading universities and colleges with renowned speakers and past achievers. This will provide the student a helping hand to understand the options available and how they can focus on preparation in the midst of many priorities from college work, jobs or going for higher studies.

In this regard, we thank for your opportunity to conduct a career awareness workshop on Civil services careers. We are comfortable with the time slot that you have provided to us. i.e, on 3rd June .2022. Time slot : 3-4 PM. We have nominated our guest Narasimha Reddy(Dy. Director at Forest College and Research Institute (FCRI) Hyderabad) as a speaker from Deeksha Foundation for this initiative at GNITS as preparation from our side. Please find

Narasimha Reddy:

Thank you for your support
