Department of Humanities and Mathematics

2018-19

REPORT ON

Faculty Development Programme (FDP) on "Advances in Graph Theory with Applications to Network Analysis"

Date of program: 06-08-2018 to 11-08-2018

Resource person: 1) Dr. Lal Pratap Singh 2) DR. Rajeev 3) Dr. Rajesh Kumar Panday 4) Dr. Divya Goel
5) Dr.Lavanya Selvaganesh

About the Program:

The FDP was very useful for all mathematics faculty and had insights to applications of Graph Theory to Network Analysis. Dr Lavanya Selvaganesh gave an inaugural speech on Introduction to Graph Theory. Dr. Rajeev took session on "Application of Graph theory to network analysis". Dr Rajesh Kumar Pandey spoke on "Graph Theory using Matlab". All sessions were very useful and I am very thankful for my management and Principal for their support to attend this FDP.
