About LEAP

Leadership for Academicians Programme (LEAP) is a three weeks flagship Leadership Development training programme (2 weeks domestic and one week foreign training) for second level academic functionaries in public funded higher education institutions under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT) Scheme.

Objective

To prepare second tier academic heads who are potentially likely to assume leadership roles in the future.

Purpose

To fulfill a long perceived need of preparing senior faculty, such as Deans, Head of Departments for future governance roles as leaders in academic institutions.

Skills equipped

Problem-solving, handling stress, team building work, conflict management, developing communication skills, understanding and coping with the complexity and challenges of governance in HEIs, financial & general administration.
