REPORT

FDP on "Managing Online Classes and Co-creating MOOCS"

Date of program: 20-04-2020 to 06-05-2020

Resource person: DR. SUMIT NAGPAL, DR. NIKHIL RAJPUT, DR. VIBHASH KUMAR.

About the Program: The Program mainly focused on the following themes.

- ❖ Development of deeper understanding of the dynamics of e-content creation and the underlying technology and proficiency
- ❖ Use of open source tools for creation of e-content including generic video creation software's for recording and minor editing, screen capturing
- ❖ Assistance in Online Course Instructional Design & Best Practices
- ❖ Awareness on Open Educational Resources (OER) and MOOCs
- ❖ Design and develop a MOOC course based on the four-quadrant model
- ❖ Preparation of online assignments & quizzes
- ❖ Grading and evaluation
- ❖ Build a platform for transacting the online course and managing it.

The FDP was very helpful to create e-content in Mathematics discipline using open source software tools. It helped to Integrate OERs in my e-resources. The program was also useful to Design MOOCs pertaining to the specifications of the four Quadrant Model with the facility to share resources and also provision for assessment. It helped me in Designing the framework for effective implementation of the online course
