

About the College

The A.V. Education Society, one of the oldest and pioneering educational societies in the erstwhile Nizam's State of Hyderabad was established in the year 1944 with an objective to extend educational opportunities to backward sections of the region and a vision to Empower young minds through Pursuit of Excellence.

A.V. College established in 1968 is spread over 7.33 acres of land with a built-up area of 11,72,159 sq.mt. Started as a composite college offering plus two and UG courses in Arts, Sciences & Commerce it gradually grew to occupy the status of a multidimensional institution through introduction of PG courses, Multi-disciplinary and contemporary courses that help develop technical competence in students, and their employability thus meeting the requirements of academia, industry, and society. The College is conscious of its values and responsibility towards the country, community, and environment in general and tries to inculcate the same among all its students. Social Commitment is in the ethos of the College and its sponsoring society.

The college is accredited by the NAAC three times.

About ELT@I

The English Language Teachers' Association of India was found on August 7, 1969 by the late Padmashri S. Natarajan, a noted educationist. ELT@I has spread its roots and branches nationwide into about sixty chapters, and still growing. It has been an Associate of IATEFL (U.K) and an Affiliate of TESOL (USA) for long and has established partnerships with several professional associations worldwide. About the Teaching Learning Centre

The Teaching Learning Centre (TLC) was established with the intention to bring together faculty and other professionals to share expertise, explore innovations, and discuss the challenges of teaching and learning across disciplines. The Centre is an expression of the constant efforts made by our faculty to empower themselves with an understanding of how students can learn so as to effectively apply and adapt teaching strategies to students' needs.

About the English Department

The Vision of the Department: *"Creating Globicizens through teaching English"*.

English being the dominant language in all domains has become almost a necessity for students to communicate in English if they are to enter a global workforce. The Department of English endeavors in enhancing the proficiency of students in communication skills and prepares them for careers and higher education through various programs like Certificate Course in 'Listening & Communication Skills'; Monthly Quizzard- a learning experience through fun; Amateur's Reading club activities, Student language fest -AVIETE, Literary Club -ABHYUDHAY, Campus Recruitment Training programs in Group Discussions, Interview Skills etc. The faculty of English Department deems it as their responsibility to instill human values in them and mould them to be responsible citizens of the society.

About the FDP

Soft Skills like software are not directly visible, but their impact can be realized tangibly. Software enhances the performance and productivity of a system. Soft skills enhance the personality and human relations of an individual. This is one of the major reasons for the corporate sector, to lay emphasis on the acquisition of these skills by their personnel. Lack of these skill-set affect the confidence and output of the learners. Hence teachers need to be conversant with these skills to upgrade their learners.

Objective of FDP

- To equip teachers to face the challenges of the dynamic learning environment.
- To provide an insight into soft skills for success.
- To enlighten about life skills for survival at the workplace.
- To enable teachers to impart necessary skills to students.
