

AICTE-Leadership in Teaching Excellence (AICTE-LITE)

AICTE Leadership in Teaching Excellence (LITE) program aims to bring modern software engineering knowledge through proven online teaching-learning methods to 100,000 teachers and 2.4 Crore students in India.

Faculty would be trained in implementing key pillars of NEP 2020 such as learner-entered pedagogy, competency based curriculums and continuous-personalised evaluations and certified as LITE Faculty Coordinators by AICTE's National Educational Alliance for Technology programme partner Pupilfirst.org.

LITE Institutions would be AICTE Brand's Ambassadors of Change and the heads of institutions, faculty and students would be showcased as change agents who are implementing NEP 2020 teaching-learning methods.

AICTE has selected 28 institutions for becoming national showcase institutions of National Educational Policy (NEP 2020) through the Leadership in Teaching Excellence (LITE) program where 44 faculty members have completed training to become AICTE LITE Faculty Coordinators.

This list features faculty members from 1 Institute of Eminence, 1 State University, 1 Private University, 18 Autonomous Colleges and 7 Affiliated Colleges. 13 State Affiliating Universities across 11 States (Kerala, Tamil Nadu, Karnataka, Andhra Pradesh, Telangana, Maharashtra, Gujarat, Goa, Haryana, Rajasthan and West Bengal).
