Circular- Introduction Value added course	Dept-ECE

Date: 18/08/2019

## CIRCULAR

All the II Year B.Tech students are hereby informed that the Value added course on “C language using the Programming Work Bench tool” is going to start from 16/09/2019. The following is the schedule to be followed for I Semester and II Semester for the Academic Year 2019-20. Hence all the students are advised to note the same and follow accordingly to attend the Training from 16/09/2019.

### I Semester

- 1) Every Tuesday 1:00PM -4:00PM  
Venue-IT Block, Seminar Hall, 3<sup>rd</sup> Floor

### II Semester

- 1) Every Tuesday 1:00PM -4:00PM
- 2) Every Thursday 9:00 AM-12:00PM  
Venue-IT Block, e-Class room, 3<sup>rd</sup> Floor

  
18/08/19

## HEBEON SUMMARY REPORT

Hebeon Technologies is an online platform to learn and practice professional software languages like Python, C, C with Datastructures etc. All three sections of ECE Department are given access to the portal. The portal provides us with recorded video classes, real life applications, online editor and compiler. Hebeon Technologies provides live teaching sessions through which students directly interact with professionals and clarify doubts.

Mentors come up with specific important topics and explain them through live lectures. The portal consists of Modules which consists of different stages and levels. Students must clear the stages one by one. Students can't skip the stages unless they complete the previous one. C module consists of four levels- Calculator Project, Pointers Strings Files, Banking Project, Post Assesment. Data Structures has Introduction, searching, sorting, stack, Queue operations, Linked lists, Trees, Graphs and advanced algorithms. Python has Basics, OOPS concepts, Files and regular expression concepts.

In 2<sup>nd</sup> semester of 2<sup>nd</sup> year, Students have two 3 hours skill development sessions weekly and had one 3 hour session in 1<sup>st</sup> semester. Students progress is evaluated based on percentages. Students having 65% or more will get Gold medal certificate, 45% and above gets Silver medal certificate and remaining percentages are indicated by green and red medals.
