REPORT

Faculty Development Program on Cyber Security

Date of Program: 28-05-2020 to 01-06-2020

Collaborating Agency: Supraja Technologies

Number of Participants: 248

About Resource Person: Santhosh Chaluvadi is a Founder & CEO of Supraja Technologies.

Santhosh Chaluvadi is India's efficient Cyber Security analyst and also an expert Digital Marketer.

About the Program:
Faculty Development Program on Cyber Security was started on 28th May 2020 in online mode and was conducted for 5 days till June 1st 2020. The program ended with valedictory ceremony with **Buddha Chandrasekhar Chief Coordinating Officer AICTE, Ministry of Education** as chief guest. An excellent talk was delivered by chief guest stating importance of Cyber Security for future.

Outcomes: Knowledge gained on practical implemetation of Cyber Security in this FDP will definitely help faculty to gain more insight into the Cyber Security concepts.

Number of participants benefited: 248 participants

Overall Feedback:

The program was **well received** and faculty from various disciplines across India have attended the FDP online and appreciated the concepts and hands given by the resource person and overall feedback of the FDP was Excellent. All participants felt good about the hands-on practical session, and suggested for increased duration of workshop.

2019-20

REPORT

FDP on " Cyber Security"

Date of program: 28-05-2020 to 01-06-2020

Resource person: Santhosh Chaluvadi, Founder & CEO Supraja Technologies.

About the Program:

The Faculty Development Program (FDP) on "Cybersecurity" was conducted to address the critical need for enhancing faculty members' understanding of cybersecurity in the context of contemporary computing. The program aimed to equip participants with the latest knowledge, tools, and strategies to educate the next generation of cybersecurity professionals. The FDP comprised expert-led sessions, hands-on sessions, and collaborative discussions which include Hacking, Cyber attacks, Information gathering, Burp-suite installation, GUI Tools and Web Venerability scanner.
