About The University

In pursuance of the recommendations of Knowledge Commission, Krishna University was established, vide Andhra Pradesh Act.No 4 of 1991, G.O Ms. No 89 Higher Education (U.E.II)-dated 25/06/2008 and G.O Ms. No 109, Higher Education (U.E.II) department dated 14/07/2008 at Machilipatnam, as the town is the head quarters of Krishna District of Andhra Pradesh. On 23/04/08, The then Hon'ble Chief Minister Dr. Y. S. Rajasekhara Reddy laid the foundation stone for the University. A Feasibility committee headed by Prof. K. Vidyanna Rao visited Machilipatnam for establishing the University.

About The College

Krishna University College of Engineering and Technology was established in the academic year 2017-2018 in the Krishna University, Godugupet Campus in Machilipatnam. University shifted into its new buildings in Jan, 2020. It is a constituent college of Krishna University. The college commenced its operations with annual intake 60 seats into two branches of B.Tech. Krishna University College of Engineering & Technology (KRUCET) is just another name for best engineering college in Andhra Pradesh. Sheer determination, hard work and success are the keys to our inception in 2017. Our aim is not only to create top notch engineers but also we will make them to get self motivated and determined human being who can enlighten the community through their deep knowledge. We run continuously for progress in the process of imparting education. Through this quote, we have a very clear message for our students to run for improvement and improvement comes with perfection. We must look for positive changes which we brought within us rather than to bring the so called perfection just to show the world. We aim at preparing students for all the hardships of life, social and mental enhancement.

About The CSE Department

Vision

To ensuring academic excellence and advanced research in computer science and engineering discipline.

REPORT

FDP on “One Week FDP on Current Research Trends in Computer Science”

Date of program: 04-07-2022 to 08-07-2022

Resource person: Prof. Md. Ali Hussain KLU Deemed to be University,
Dr. M. Kamala Kumari, Principal, Adikavi Nannaya University, Kakinada

About the Program:

This FDP focused on current research trends in latest technologies in Computer science like Machine learning, Artificial Intelligence, Block chain etc. This FDP was helpful in understanding of the latest research trends, methodologies, and technologies in the rapidly evolving field of computer science. Awareness of current research trends enabled us to integrate the latest technologies and methodologies into the teaching, enhancing the quality and relevance of the courses.
