

Chief Patron

Dr. B. Sreenivasa Reddy, Principal, GPREC

Patron

Dr. N. Kasiviswanath, HOD, Dept of CSE

Convenor

Dr. D. Kavitha, Professor, Dept of CSE

ACHIEVEMENTS OF GPREC

A+

GRADE

G. Pulla Reddy Engineering College (Autonomous)
has secured

NIRF RANK 190

in top Engineering colleges Rankings among IITs, NITs,
Universities, Deemed Universities and Engineering Colleges
in INDIA

NATIONAL BOARD
of ACCREDITATION

Principal
G. Narayana Murthy
Shaikpet, Hyderabad

WHO CAN ATTEND?

- Faculty members from AICTE approved Engineering and Degree Colleges.
- Industry professionals from IT Industries
- Research Scholars / Associates.

REGISTRATION

- No registration fee is required
- E-Certificate will be issued to all participants.

Convenor

Dr. D. Kavitha, Professor, Department of CSE, GPREC, AP

Co-Convenor(s)

Dr. C. Sreedhar, Associate Professor, Dept of CSE.

Dr. G. Vijay Kumar, Associate Professor, Dept of CSE.

Dr. B. Santosh Kumar, Associate Professor, Dept of CSE.

S. Vinay Kumar, Assistant Professor, Dept of CSE

V. Suresh, Assistant Professor, Dept of CSE

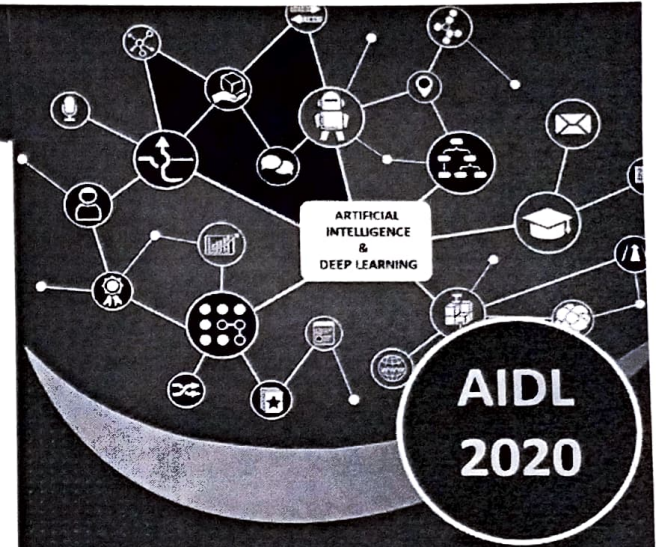

Organizing Committee

All the Faculty members of Department of CSE

The course is designed to provide exposure to the fundamentals of artificial intelligence and deep learning, various research opportunities, and challenges in the field of deep learning, and its applications. This course also helps the participants to identify the deep learning algorithms which are more appropriate for various types of learning. Comprehensive knowledge of various Neural Network architectures such as Convolution Neural Network, Recurrent Neural Networks. This FDP is serving to be a great platform for faculty and researchers to upgrade their knowledge in the area of AI, Deep learning and its applications.

ABOUT THE FDP

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering (CSE) is established in the year 1991 with an intake of 30. Over the years, it has grown by leaps & bounds and the current intake is 180. The department is accredited first in 2005 by the National Board of Accreditation, New Delhi for three years, re-accredited in 2008 and recently in 2019 for three more years. The department also offers Tech Program in Computer Science and Engineering with an intake of 18. The department is recognized as a research centre by JNTUA to offer full-time PhD program. The department is continuously undertaking the research, development and training activities in emerging technologies to students and faculty. We are very happy to announce that the Department is offering two new UG programs in Computer Science and Business Systems (CSBS) and Computer Science and Technology (CST) from this academic year.

GP REC AT A GLANCE

G.Pulla Reddy Engineering College is the brain child of Late Sri G.Pulla Reddy, (popularly known as Sweets Pulla Reddy in A.P.) the renowned philanthropist and a great humanist. Established in 1984-85, it is one of the earliest private engineering colleges in Andhra Pradesh state. GP REC has been functioning as an autonomous institution since 2006. The college is being managed by G. Pulla Reddy Charities trust, Hyderabad. The trust was instituted by late Sri G.Pulla Reddy Garu in 1975 with the motto of rendering service to the society. The vision of the college is to become the choicest institute of technology and hub of academic and industrial research and development. The mission of the college is to provide conducive academic ambience, excellent infra structure, continually updated lab equipment and committed and scholarly faculty to realize the vision of the college. G.Pulla Reddy Engineering college, Kurnool, is engaged in imparting "quality education and training" in the field of engineering and technology. It aims to be an institute of excellence of technical education through continual improvement. The institute facilitates faculty and staff to work as a team and update their knowledge and skill to match the industrial and technological development.

SESSION TIMINGS

10:30 AM to 12:30 PM

MODE OF SESSION

The session will be conducted online through
GOTO MEETING .

RESOURCE PERSONS

Dr. Tripti Swarnakar
Professor,
Siksha O Anusandhan University

Dr. Aditya Siripuram
Assistant Professor,
IIT Hyderabad

Dr. R.P. Jagadeesh Chandra Bose
Principal Data Scientist,
Skan .ai, Bengaluru

Dr. Lov Kumar
Assistant Professor,
BITS-Pilani,
Hyderabad

2020-21

REPORT

One Week Online FDP on Artificial Intelligence and Deep Learning

Date of program: 23-07-2020 to 27-07-2020

Resource person: Dr. Tripti Dr. Aditya, Dr. Aditya Siripuram, Dr.R.P.Jagadeesh Chandra Bose,
Dr.Lev Kumar

About the Program:

This FDP gave fundamentals of artificial intelligence and deep learning. Various applications and research opportunities are discussed in detail. Various Neural network architectures such as convolution neural network and recurrent neural networks are discussed in detail. It was very useful to upgrade the knowledge and explore new area.
