Dear Participant

Greetings!

Thank you for registering for the FDP on "AI & Machine learning for Biometric Recognition". We are pleas
find the attachment for the lecture schedule.

The program will be hosted through the Cisco WebEx platform. All the participants are requested to install W

The inaugural ceremony will be conducted in online on August 16th, 2022 from 11.15 am to 12.00 pm.

All participants are requested to join the inaugural through the cisco webex meeting link provided below.

Meeting Information

REPORT

FDP on AI and Machine Learning in Biometric Recognition

Date of program: 16-08-2022 to 25-08-2022

Resource person: T. Kishor Kumar

About the Program: Participating in the "FDP on AI and Machine Learning in Biometric Recognition" was an enriching experience that significantly broadened my understanding of cutting-edge technologies in the field. Through insightful sessions and hands-on workshops, I acquired practical knowledge and skills that are directly applicable to biometric recognition systems. The expertise shared by industry professionals and researchers was invaluable, providing me with a comprehensive overview of the latest advancements in AI and machine learning specific to biometrics. This FDP not only enhanced my technical proficiency but also enabled me to explore innovative approaches in the realm of biometric technology. I am confident that the insights gained will positively impact my professional endeavors in this evolving domain.
