Department: Information Technology

2019-20

### REPORT

I -week EDP on Big Data Analytics and Machine Learning Application with PySpark  
Oate of program: 02-12-2019 to 06-12-2019

Resourcc rx'rson: Mr.P.Mohan Tech Mahindra,

About the Program:

This work shop gave insights of Bid data, how the data can be analysed using different approaches. The hands on on PySpark gave practical knowledge on building machine learning applications. The overall FDP was very valuable and has helped faculty members to train & guide students with better perspective.
