REPORT
FDP on "Multi Technology"

Date of program: 28-06-2021 to 03-07-2021

Resource person: Ms.Kiranmyee,Dr. Shankar Subbanarasayya Mantha, Dr.Sivaji Chadaram,
Mr.Mehdi, Mr.Madhukar

About the Program:

This National level workshop is essentially organized to make the participants familiar with the contemporary technologies. They addressed the participants about emerging areas and job opportunities, the way the enterprises are getting started with AWS, the emerging technologies like IoT, Robotics, Block chain, Virtual reality and Augmented reality. It was followed by a hands on session on React JS, and spoke regarding various research institutes and project funding institutes. It was followed by a hands on session on Git hub, discussed about advantages of flutter and Dart language followed by Dart tool hands on session, a brief overview of Devops with Agile, discussed about web application development using servlets, JSP and JDBC connectivity. Awareness of current research trends enabled us to integrate the latest technologies and methodologies into the teaching, enhancing the quality and relevance of the courses.
