**REPORT**

**FDP on “ 10 Days online workshop on Cyber Forensics ”**

**Date of program:- 15-02-2023 to 25-02-2023**

**Resource person: Dr R.Sridevi , Professor in CSE & Co.ordinator, Centre of Excellence in Cyber Security, JNTUH**

**About the Program:**

Cyber Forensics leverages investigation techniques to help identify, collect, and store evidence from an electronic device in the field of law enforcement, and legal proceedings. The FDP covered topics like computer forensics, network forensics, forensic data analysis, and mobile device forensics with some hands on training on intrusion detection techniques and network analysis and forensics

The FDP has given insights into analysis of digital evidence and investigating computer security incidents to derive useful information in support of system/network vulnerability mitigation. The knowledge gained is useful in guiding projects in the domain of network and cyber attacks and dealing with vulnerabilities.
