K. Sahithi	CSE	Public Relations Head
Ch. Poojitha	CSE	Public Relations Co-Head
S. Meenakshi	EEE	Content writing & Designing Head
A.Pranavya	CSM	Content writing & Designing Co-Head
B. Sri Vaishnavi	EEE	Photography Head
B. Usha Sri Chowdary	ECE	Photography Co-Head

### **EVENT HIGHLIGHTS**

Following points are discussed:

Dr. Himabindu. T, Assistant Professor of EEE Dept, branch counsellor of IEEE SB GNITS, organized an IEEE EXECOM meeting with all the student coordinators of EEE Dept from IEEE SB GNITS.

- 1) The IEEE IES/PELS SB GNITS EXECOM meeting is organized the first event after new roles and responsibilities are designated to Faculty and Students.

- 2) After reviewing the inputs from the previous SB GNITS meetings, following events are discussed for this academic year.
- 3) It is finalized that minimum of 6 events will be conducted before November 2023. The tentative calendar is designed for this academic year until November 2023.
- 4) First Event will be “Introduction to Vtools” hosted by Ms. Gunda Jhansi Laxmi, tentitatively by the end of August, 2023.
- 5) The Next event will be a guest lecture facilitated by Dr. P. V. Rajgopal Sir, this event is hosted for all the 2<sup>nd</sup>, 3<sup>rd</sup>, and final year students of GNITS.
- 6) In have practical experience, a workshop or hobby project will be conducted for all the students of GNITS on behalf of IES/PELS chapters.
- 7) A competition is conducted to enhance student’s critical, logical and technical skills and to find various solutions for social and environmental issues arising in the electrical field.
- 8) With an intention to give students an opportunity to explore in the electrical field, an educational or industrial trip will be organized by EEE Dept.
- 9) A guest lecture will be facilitated in the month September- October.
- 10) To promote Social service and need to protect the environment, IEEE will organize Go Green or any Humanitarian activity.
- 11) As we come to an end of events that will be conducted in this academic year until November, 2023. Few activities are shortlisted for the IEEE members which are followed:
  - i. Membership Drive by EEE Dept
  - ii. The MOM of any meeting held by PELS/IES will be uploaded as execom in Vtools.
  - iii. T-Shirts for IEEE members are to be printed.
