IETE STUDENT FORUM (2019-20)

Report on Carrer Awareness Program and hands-on session on Robotics

Name of the Program: - Career Awareness Program and hands-on-session on Robotics

Date: - 18/07/2019

Venue: - G. Narayanamma Institute of Technology & Science (for women), Hyderabad

The “Career Awareness Program and hands-on-session on Robotics” was conducted on 18/07/2019 with support of Mr. VasanthVidyakar, Project Coordinator, Skyfi labs and total active participation of 61 members.

Career Awareness is an essential first step in building students understanding of the industry needs. Career Awareness program builds students confidence in facing interview and it helps to find different opportunities in the industry.

Career Awareness program was conducted by Skyfi labs on 18/07/2019.

Aim of the skyfi labs is to improve the skills and Employability of Indian Engineering students by converting textbook geniuses into productive engineers, using online Project-based courses.

Career Goals must include: Increase professional knowledge and training. Attain a leadership role. Students had done a project on robotics using Arduino software.

Grades, Fundamental approach, Aptitude, Reasoning, Interview preparation, Practical skills are the main domains required to have successful life.

Mr. Vasanth Vidyakar address the students on Career Awareness Program and hands-on-session on Robotics

(Mr. Y Rakesh Kumar/ Mr. Y Prakash)
