

## G.Narayanamma Institute of Technology & Science (for women)

### IETE STUDENT FORUM (2018-19)

#### Report on product development

**Name of the Program:** - Product Development

**Date:** - 1/8/2018

**Venue:** - G. Narayanamma Institute of Technology & Science (for women), Hyderabad

IETE organized an event on ELECTRONIC PRODUCT DEVELOPMENT on 1/8/2018 for ¾ ECE students. The speaker is Mr. Amarendra karanam, Smart Bridge from Smart Bridge Educational services. The sessions involved a great deal of thought process demanding prescient knowledge. The concept with what they approached GNITS is highly appreciable and even special interest is shown by the HOD sir and staff for the betterment of the student. By the end of the workshop every student in the team will be able to know the concepts behind the product development and will be able to do the mini and major projects on their own with perfection. The event was successful to attract as many as participants of 110 members.

Audience are listening to the speaker Mr. Amarendra karanam, Smart Bridge from Smart Bridge Educational services on 1/8/2018.
