IETE STUDENT FORUM (2023-24)

Seminar Report on “AI for Engineering Applications”

Name of the Program: - Seminar on AI for Engineering Applications.

Date: - 22/11/2023

Venue: - G. Narayanamma Institute of Technology & Science (for women), Hyderabad

The IETE Student Forum organized an enlightening seminar on "AI for Engineering Applications" on November 22, 2023, from 10:00 am to 11:30 am. The seminar aimed to provide students and faculty with valuable insights into the applications of Artificial Intelligence in the field of engineering. Speaker Dr. Monalisa Pal, a distinguished Senior Education Engineer from Mathworks, Kolkata. Coordinated by Y Rakesh Kumar, ECE, GNITS and Faculty advisers Dr.A.Naveena and Mr. V. Radhakrishna with the support of Dr. K Ragini, Prof &HOD. The total no of students participated are 48 students and 5 faculties have participated.

The seminar covered a range of topics, including Introduction to AI for Engineering Applications, Case-studies from Industry, AI Models & Tensor Flow, Key ingredients of AI: Machine Learning & Deep Learning. The "AI for Engineering Applications" seminar proved to be an insightful and educational event, providing participants with a comprehensive understanding of the applications and advancements in Artificial Intelligence.

The feedback from faculty and students are collected over all rating on event's organization, theme, impact on participants' future careers, and on the resource person is excellent. This feedback highlights the event's effective planning, engaging theme, valuable career-related benefits, and the high quality of the resource person's contribution.
