### IETE STUDENT FORUM - (2023-24)

#### Report on Industrial Visit to Kwality Photonics – kushaiguda

**Name of the Program:** - Industrial visit to Kwality Photonics.

**Date:** - 13/12/2023 and 20/12/2023

**Venue:** - Kwality Photonics, Kushaiguda, Secunderabad

The IETE Student Forum has organized an “Industrial Visit to Kwality Photonics” in Kushaiguda, Secunderabad on 13/12/2023 and 20/12/2023 for ECE. The total number of students participated are 106 on 13/12/2023 with 2 faculty Pavani and V. Radhakrishna and 63 on 20/12/2023 with faculty Y Rakesh Kumar. Kwality Photonics is the most prominent company and they are basically the manufacturer and the supplier and exporter of power LED chip, LED segment chip, LED 7 segment displays. The resource person effectively conveyed product design in their industry and also connected the theoretical concepts. He shared valuable information that proves beneficial for both major and minor projects undertaken by the students. The feedback from students is collected during the visit, highlighting the impact and insights gained from the industrial visit.
