Name of the Program: - Demo on Programming work bench

Date: - 9/8/2018

Venue: - G. Narayanamma Institute of Technology & Science (for women), Hyderabad

Demo on Programming work bench by HebeOn Technologies is conducted on 9/8/18 for 2/4 ECE section A & C and on 10/8/18 for 2/4 ECE section B. Speaker of this program are Shankar Raju, CEO, HEBEON and their team. It provides integrated platform for various learning materials, coding compilers, reporting and communication tools. Adaptive learning environment guides students towards their goals with proper guidance. The sessions involved a great deal of thought process demanding prescient knowledge. A student can develop coding skills by creating codes at every stage of the program. Also provides weekly assignments to test our language skills. This course can help students to improve their answering and thinking skills during the course as it offers model papers related to companies that helps for recruitment in corporate companies. The event was successful to attract as many as participants of 184 members.
