IETE STUDENT FORUM (2023-24)

Report on “Tech-Eco Ganesha: Crafting an Electronic Deity”

Name of the Program: - Tech-Eco Ganesha: Crafting an Electronic Deity.

Date: - 15/09/2023

Venue: - G. Narayanamma Institute of Technology & Science (for women), Hyderabad

The IETE Student Forum (ISF) unit at GNITS has organised an event titled " Tech-Eco Ganesha: Crafting an Electronic Deity " The event took place from 2:30 pm to 4:00 pm. A total of 12 teams of ECE and ETE Departments have participated and created innovative electronic idols of Lord Ganesha using sustainable materials and electronic components.

This unique initiative focussed on encouraging students to think creatively with a technical innovative mindset along with emphasising on the rich cultural traditions and reusing sustainable materials. The electronic deity, designed with eco-friendly principles in mind, illuminated the festival with its modern twist, attention and admiration from attendees. "Making of Tech - Eco Ganesha" showcased a path forward, demonstrating that it's possible to honour tradition while embracing eco-consciousness and technology learnings.
