

## CSI STUDENT CHAPTER

**G.NARAYANAMMA INSTITUTE OF TECHNOLOGY & SCIENCE**  
(AUTONOMOUS) (FOR WOMEN)

**DEPARTMENT OF CSE(AI & ML) & CSE(Data Science)**

### A Report on Two days Bootcamp on "Data Visualizations using Tableau"

Date: 18/10/2023

**Event Date(s):** 16/10/2023 & 17/10/2023

**Speaker(s):** Mr. Sandeep Gogula, Corporate Trainer, Hyderabad.

**Participants:** III B.Tech. I-Sem CSE, CSE(AI & ML) & CSE(Data Science) Students.

**Key points:**

- Students gained awareness on Power of Visualization in Analytics: Business Intelligence using Tableau.
- Introduction to Tableau Product Line, Desktop Workflow, Setting up Connections & Data Source.
- Students were given hands on sessions on Simplifying & Sorting your data, Organizing data, Slicing data by Date, using Multiple measures in a View and Analyzing Data with Quick Table Calculations using Sample Dataset of Superstore\_USA.
- Customizing Data, Making your Views Available and Dashboard & Actions (Highlighting Data with Reference Lines, Filter & URL) were also discussed.

**Number of participants: 107**

**Feedback:** The sessions were very interactive with hands on. Students gained knowledge on Tableau tool, its features and how to choose appropriate Charts for available data, build Dashboards to visually represent business metrics was also discussed. Dataset was shared with students and they were guided on how to import it into the tool to start exploration. The overall feedback received was excellent.
