**G. Narayanamma Institute of Technology and Science (for Women),
Shaikpet, Hyderabad – 104**

**Report and photos of One Day Seminar on
'Solutions for Pollution' at GNITS
(06-12-23)**

United Nations announce a theme every year on the eve of World Environment Day, this year the theme is 'Beat Plastic Pollution'. Plastic is everywhere, our daily activities directly or indirectly depended on plastic right from the brushing of teeth in the morning to till before going to bed brushing the teeth, in due course a number plastic items will be used in our daily life such as plastic water bottles, pens, disposable cups, plates, glasses etc and these products have huge impact on the man, plants and aquatic species, their entry into natural eco – systems and finally comes out as various types of pollutions like air, water, soil, marine etc. Now, there is an urgent to react towards finding out solutions for pollution. In this regard, the department of Basic Sciences, I & I Cell of GNITS in association with Telangana State Pollution Control Board and Babul NGOs has come forward to take an initiation to conduct One Day Seminar on 'Solutions for Pollution' on 06/12/23 for 1 yr B.Tech Students in main Seminar Hall, admin block GNITS from 10 AM to 12 PM followed by Poster Presentations from 1:30 – 3:30 PM. More than 20 entries have been received from out of which 15 entries have been selected for paper presentation, best papers have been awarded with attractive gifts based on judges judgement.

Report on Field Trip to Narsapur Urban Forest, Medak Dist

Date: 23/11/2023

Location: Narsapur Urban Forest, Medak Dist

Participants: [All Sections of III B.Tech]

Introduction:

On 23/11/23, GNITS organized an educational field trip to Narsapur Urban Forest, Medak Dist, Telangana. The trip was designed to provide students with an opportunity to learn about wildlife conservation, biodiversity, and the importance of protecting our natural heritage.

Purpose of the Trip:

- **Education on Wildlife:** The primary objective of the field trip was to educate students about various species of animals and birds, their habitats, and the importance of conservation.
- **Environmental Awareness:** The trip aimed to increase environmental awareness among the students and instill a sense of responsibility towards the protection of wildlife and their natural habitats.
- **Hands-On Learning:** Students were encouraged to observe animals and birds up close, ask questions, and engage in interactive learning experiences.

Activities and Highlights:

The field trip to Narsapur Urban Forest, Medak Dist was filled with exciting and educational activities:

- **Guided Tour:** The day started with a guided tour led by experienced zookeepers and naturalists. They provided valuable information about the park's history, the animals housed there, and their conservation efforts.
- **Animal Encounters:** Students had the opportunity to observe a wide range of animals, including lions, tigers, elephants, zebras, giraffes, and various species of birds. They learned about the habitats, behaviors, and diets of these animals.
- **Educational Presentations:** The zoo staff conducted educational presentations and talks on the importance of wildlife conservation. These presentations were both informative and engaging, capturing the attention of the students.
- **Conservation Center:** A visit to the conservation center allowed students to understand the efforts being made to protect endangered species. They saw how the zoo is involved in breeding programs and conservation initiatives.
- **Interactive Exhibits:** The park had interactive exhibits and displays that encouraged hands-on learning. Students were able to touch and feel artifacts like animal skulls, feathers, and fur, which enhanced their understanding of wildlife.

- **Bird Aviaries:** The aviaries provided a unique opportunity to observe and learn about various bird species up close. Students were amazed by the vibrant colors and distinctive features of the birds.
- **Lunch and Recreation:** A designated area within the park was allocated for lunch, where students enjoyed a picnic. After lunch, they had some free time to explore the park and engage in recreational activities.

Learning Outcomes:

The field trip to Narsapur Urban Forest, Medak Dist had several educational outcomes:

- **Increased Knowledge:** Students gained a deeper understanding of various animal species, their habitats, and the challenges they face in the wild.
- **Environmental Awareness:** The trip raised students' awareness of the importance of wildlife conservation and the need to protect our natural environment.
- **Hands-On Experience:** Students had the opportunity to learn through direct observation and interaction with the animals and exhibits.
- **Appreciation for Biodiversity:** The trip fostered an appreciation for the diversity of life on Earth and the role zoos play in conservation efforts.

Conclusion:

The field trip to Narsapur Urban Forest, Medak Dist was a valuable educational experience for all participants. It provided students with a unique opportunity to connect with nature, learn about wildlife conservation, and gain a deeper appreciation for the natural world. Such field trips are essential in fostering environmental consciousness and a sense of responsibility among our youth. We would like to express our gratitude to the staff and management of Narsapur Urban Forest, Medak Dist for their warm hospitality and for providing an enriching learning environment. We hope that this experience will inspire our students to become advocates for wildlife conservation and responsible stewards of our planet.

Recommendations:

- Encourage more educational institutions to organize similar field trips to promote environmental education.
- Suggest integrating the lessons learned during the trip into the school curriculum to reinforce the knowledge gained.
- Advocate for further support and funding for wildlife conservation efforts, both locally and globally.

Ganesh

Feedback on

Field Trip to 'Narsapur Urban Forest Area, Medak Dist'

Date: 22-11-2023

Venue: GNITS

As a part of curriculum a field trip has been planned and arranged to 'Narsapur Urban Forest Area, Medak Dist' on 22-11-23 with the students of around 130 and staff around 05 members. This main intention to conduct the field trip to sensitize the young minds to wildlife environment and create awareness on the role of biodiversity role in the maintenance of ecological balance, protection of environment and conservation of natural resources. This field trip has been arranged by the Dept. of Basic Sciences (Environmental Sciences Discipline). To conduct the field trip, prior permission has been taken from the forest officials i.e. District Forest Officer (DFO) of Medak Dist through oral and written communication, after receiving the acceptance from the concerned authorities this trip has been planned. Forest officers of various levels helped out us throughout the fieldtrip and gave a nice presentation on their flora and fauna species and importance of forest resources and clarified the many queries of the students. All the students and staff were happy with the field trip and pledged for the protection of Environment and Environmental components. Oral Feedback has been collected from all the participants and rated the event as 'Very Good'.

Dr. K. Syamala Devi & B. Rakesh Goud
