## Institute for Academic Excellence Hyderabad, Telangana.

Institute for Academic Excellence (IAE), established to provide advisory services to Higher Educational Institutions (HEI) of India to become top performers in their fields and to raise their profiles on a global scale. Suggest strategies, methods to develop best practices to improve the academic performance and enhance the institution's reputation among stakeholders.

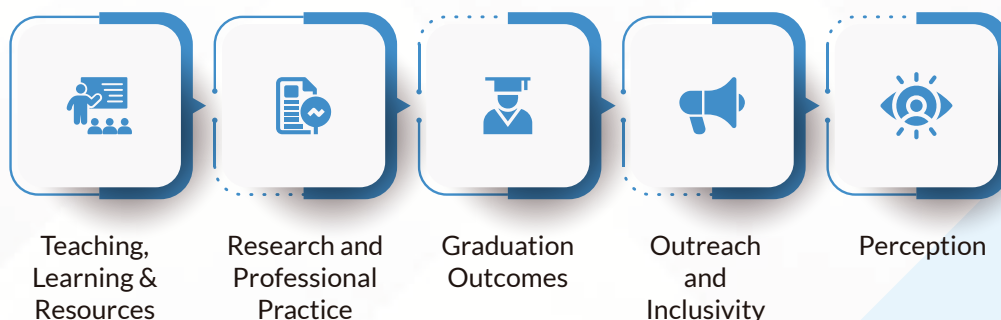

### NIRF India Rankings

The National Institutional Ranking Framework (NIRF) was launched on 29th September 2015 by MHRD and announced the NIRF India Rankings to Higher Educational Institutions continuously. In view of the importance being given to the NIRF India Rankings, Institutions' participation in the NIRF India Ranking process is increasing year after year. An institution's position in NIRF India rankings is a key element for collaboration of Industry, funding Agencies, Research Organisations and Government Departments.

Ranking promotes competition among the Universities and drives them to strive for excellence. The rankings assume significance as the performance of institutions has been linked with the "Institutions of Eminence" scheme.

### The Parameters used for NIRF Ranking broadly cover

## National Level Workshop - NIRF India Rankings 2024

In the present scenario of Globalization, Universities /Higher Education Institutions need to have a new and forward-looking Vision to become institutions of Global Excellence and prepare their students for a world in which cyber-physical systems are ubiquitous across all industries if they are to continue to produce successful graduates.
