Bio-sketch

Dr. Seema, Ph.D. (Psychology), is currently an Associate Professor at the Centre for Health Psychology, School of Medical Sciences, University of Hyderabad, India. She is involved in teaching to students in undergraduate and postgraduate psychology programmes for a substantial period of time. She is a recipient of the Young Scientist Award 2010 instituted by the Indian Academy of Applied Psychology, one of the oldest professional bodies in India that is dedicated to the field of Psychology. She imparts professional skill training to young scholars at Undergraduate and Postgraduate levels on not only psychological assessment and evaluation in the State-of-the-art Psychology Laboratories, but also psychological intervention in hospital and community settings. She has undergone several professional training programmes and workshops on research methodology, cognitive drill therapy, hypnotherapy, psychotherapeutic approaches to chronic illnesses, environmental sciences, leadership and organization development, and neurofeedback orientation.

Her research activities are focussed primarily on Health Psychology and specifically on Community Health Psychology, Health Communication, Biopsychosocial Health of Women, and Yoga. Her primary area of teaching includes Developmental Psychology, Counselling Psychology, Health Communication, and Social Psychology. Dr. Seema has been involved in content development and visual aids in e-learning for University Grants Commission-Consortium for Education Communication (UGC-CEC). She has also launched programme under MOOCS—a flagship programme of Government of India. She has to her credit several national and international publications.
