EVENT HIGHLIGHTS

G.Vaishnavi and B.Raja Rajeshwari, EEE Alumnae of G. Narayanamma Institute of Technology and Science(for women) delivered a talk on "IEEE Membership benefits and Resources" to all the students of various branches . IEEE membership benefits, different societies/communities and chapters, conference funds, travel grants were presented in the session. Students can avail the Digital library for different research papers and the usage of digital library is explained.

The active participation of the students in IEEE contests and Volunteering programs enhances the technical knowledge/support of every participant. IEEE collabratec, Networking plays a crucial role in professional development. IEEE ambassador programs are also explained to the students during the session. Chapters in IEEE SB GNITS and past events of the year 2022 are elevated to the participants.

The knowledge sharing of the speakers helped the students to know the benefits of the IEEE membership. Students shared their opinions very positively on the session.
