(for Women)

Green Campus: A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of mankind.

GREEN CAMPUS POLICY OF GNITS

The Green Campus Policy of GNITS envisions a Clean and Green Campus where environmental friendly practices and education combine to promote sustainable and ecofriendly practices in the campus and beyond the campus. It also offers the institution an opportunity to take the lead in redefining its environmental culture through instilling environmental ethics among the students and staff.

G. NARAYNAMMA INSTITUTE OF TECHNOLOGY & SCIENCE
SHAIKPET, HYDERABAD – 104

(for Women)

OBJECTIVES OF THE GREEN CAMPUS POLICY:

- ❖ To protect and conserve ecological systems and resources within the campus.
- ❖ To ensure judicious use of environmental resources to meet the needs and aspirations of the present and future generations.
- ❖ To integrate environmental concerns into policies, plans and programmes for social development and outreach activities.
- ❖ To work with all stakeholders and the local community to raise awareness and seek the adoption of environmental good practice and the reduction of any adverse effects on the environment.
- ❖ To continuously improve our contribution to climate protection and adaptation to climate change and to the conservation of global resources.
- ❖ To continuously improve the efficient use of all resources, including energy and water, and to reduce consumption and the amount of waste produced, recovering and recycling waste where possible.
- ❖ To make the campus plastic free.
- ❖ To conduct environmental and energy audits from time to time.
- ❖ To minimize the use of paper in administration through having policy for E-governance.

(for Women)

GREEN CAMPUS INITIATIVES OF THE CAMPUS:

- Installation of sustainable energy technologies like
 - a) Solar Power Station b) Wind power energy c) Biogas plant.
- Installation of Rainwater harvesting pits across the campus.
- Installation of Environmental Air Quality Monitoring system- 'Continuous Ambient Air Quality Monitoring Station'.
- Displayed poster on E-waste Management.
- Installation of Climate Change Clock.
- Maintenance of water bodies and distribution system in the campus
- e-cap Software to make paperless administration.
- Installation of Energy Efficiency Equipment.
- Plastic free Campus by banning single use plastic.
- Tree Plantation Drive.
- Cleanliness Drive.
- Landscaping and gardens.
- Use of LEDs only.
- Solar powered automated street light system.
- Use of Solar water heaters in girls hostels.
- Digital Library/ E-Learning Centre.
- Organization of sensitization programmes for the stakeholders

- Establishment of Enviro-Club
- Periodic Green, Environment and Energy Audit conducted
- Restricted entry of automobiles.
- Conduction of Awareness programs for stake holders.
- Observance of Days to protect and Nurture Environment.
- To minimize e – waste generation (the used desktops will be sold out to staff with the nominal price under Re use policy).
