## Roots & Rhythms

---

May we share the exciting news with our cherished alumnae that Sri. G. Raghava Reddy has taken on the role of Chairman at G. Narayanamma Institute of Technology & Science (for women) starting August 2023. Adding to the pride, Mrs. G. Srividya Reddy, a dynamic alumna of GNITS, is fueling the institution's progress as the Vice Chairperson, steering it towards remarkable growth and success.

*"If a job is worth doing, it is worth doing it well."*

We aim to transform GNITS into an exceptional technological institution at the forefront of scientific advancements, providing training that is aligned with current trends and future vision. The expertise of all the stakeholders is contributing immensely in the overall development of the institution. My words of appreciation go to the alumnae across the globe who are making GNITS proud.

**Sri G. Raghava Reddy**  
Hon'ble Chair Person

Warm greetings to the readers of this first GNITS Alumnae Newsletter. As alumna, nurtured at GNITS, I feel proud at the accomplishments of my fellow alumnae, spread across the world, leading empowered lives. I urge the alumnae to keep us informed of their achievements and milestones, to highlight in the newsletter, as a source of inspiration to the current batches of students on the campus. Let us keep this valued association strong and steadfast.

**Mrs G. Srividya Reddy**  
Hon'ble Vice-Chair Person

Dear Alumnae, your life's journey has taken you to all corners of the globe, but your stories of success come to us as a powerful source of reassurance and bring a deep sense of satisfaction. We are extremely grateful to all the GNITS alumnae who have spared their time to give career insights and mentor their juniors on the campus. Though this alumnae newsletter I reiterate that your support will add value to all the academic programmes in operation at the institution. Register in the alumnae portal to continue your association with your alma mater.

**Dr K. Ramesh Reddy**  
Principal

# GNITS

# *A word from the Dean...*

We are delighted to introduce the special newsletter dedicated to our Alumnae. Our objective is to provide you with timely updates on the latest happenings and offer delightful reminiscences as a stress-relief mechanism, rejuvenating your energy. This newsletter serves as a tribute to the remarkable journey of our alumni from GNITS to the present. We take pride in your achievements and look forward to showcasing them regularly in upcoming editions.

We've initiated the Bangalore chapter, and in the coming year, we plan to establish a chapter in the United States for the benefit of GNITS alumnae. Here's a summary of the latest campus updates. Please use the provided links to share your accomplishments and contributions. Your contributions may include serving as a mentor on mock interview panels, providing technical training, bridging the gap between academia and industry, conducting personality development sessions, participating in customized mentoring programs, evaluating projects, offering internship opportunities, sponsoring the technical festivals and events, supporting entrepreneurship and competitive exams, fundraising for scholarships, organizing community services, and planning enjoyable weekend activities for small groups of reunions on campus.

Alumnae services include a networking portal, a digital membership ID card, easy entry access, library access, sports facilities, and easy access to generate and obtain documents on the University website under examinations. Looking forward to interacting with you and anticipating lots of input from you for the upcoming issues."

**Dr. B. Venkateshulu**  
Dean, Alumnae Relations and  
Higher Education

## Placement Report

Batch 2019 - 2023

Time and again, the students of GNITS have showcased their capability for securing lucrative positions, attributing their success to a combination of knowledge, skills, and a positive attitude. As we provide an update on the placements for the Class of 2023, it is evident that their dedication and competence continue to shine in the professional arena.

Branch	No. of Students Placed
CSE	168
ECE	164
EEE	99
ETE	43
IT	104

**Total Students Placed: 578**

# "Alumnae Chronicles: Where Achievements Become Inspiring Narratives"

Batch of 2000 - 2004

## Cherished Moments

Memories are timeless treasures of the heart. While taking photographs you didn't realize you were making memories, you just knew you were having fun. But each picture has a story to tell. Here is an opportunity to bring out all those old photographs taken in the college and relive the beautiful days.

Batch of 2005 - 2009

Please share your photos in the link titled 'Old Photos', provided at the end.

# Rendezvous

Here is a beautiful conversation between Mrs. Sreepadma (Batch 2000-2004, ECE) and Mrs. Madhuri Latha (Batch 1999-2003, ETM)

Interview by Alumnae

You too can make similar videos and share them in the link provided at the end.

# Alumnae Contributions on campus

Our heartfelt gratitude to all the GNITS alumnae who have been helping the college as Guest Speakers, Mock interviewers etc. Here are the Alumnae contributors. Our gratitude girls!

# Finding Your Path

Many of our alumni have paved non-engineering paths after completing their B.Tech, these success stories shed light on the multitude of opportunities available beyond traditional engineering roles. From entrepreneurship and management to creative endeavours and social impact, our alumni exemplify the limitless possibilities that await those willing to explore unconventional paths.

## Deepthi Vajpayee

Deepthi Vajpayee is a Senior News Presenter and Anchor of TV9, also the celebrity anchor of the TV news media in Andhra Pradesh. She has an experience of more than 18 years in the electronic media and has been with TV9 ever since its inception. Though she is an Engineering graduate, her flair for anchoring has driven her into this profession and ever since she never looked back. .

Apart from presenting the regular News bulletins, she has an expertise in handling current issues ranging from political, social, lifestyle, sports, technology to entertainment issues, wherein she excelled as an anchor

The command she has on Telugu language, has made her an ace anchor in no time. All her programs, bulletins and shows prove that she has an edge over the content as well as the presentation. In no time, she has won many best awards and rewards. She was bestowed upon with the prestigious NANDI AWARDS from the Government of Andhra Pradesh thrice in 2006, 2008 and 2015.

# Grad Right

HELPING STUDENTS AND ALUMNAE ACHIEVE THEIR STUDY ABROAD  
PLANS

We're excited to launch The Antidote, a Study Abroad Club powered by Grad Right. GNITS has signed an MoU with GradRight which assists, both current final year students and also the Alumnae of GNITS with their 'Study Abroad Plans'.

If you are interested in pursuing your Master's abroad, you may approach the Antidote Club at the college to take assistance in both selecting the right program and also in finding the right sources for the education loan, the services offered free.

## **Mission of Anti Dote**

" A study abroad cell exclusively for GNITS students powered by GradRight. The Antidote is anti-commissions, anti-counselors and anti-bias."

Harnessing the power of tech, data and community, members will choose the smarter way to study abroad, rejecting the notion that they need to pay study abroad counsellors or agents exorbitant fees to navigate their Master's abroad journey.

## Who can apply to join The AntiDote?

Any third or final year GNITS student interested in pursuing her Master's abroad is welcome to apply for membership. The number of members will be limited to XXX to ensure each member has access to high-quality resources and benefits.

## How will I benefit as a member of The Anti Dote?

You will have exclusive access to:

1. Step-by-step support to achieve your Master's abroad ambitions.
2. Free master-classes by top university professors from Ivy Leagues and more.
3. Networking events with foreign university admissions teams, students, alums.
4. Student mentors, alums from QS Top 500 universities.
5. Statement of Purpose (SOP) writing workshops.
6. Free financial advisory, guidance during education loan process.
7. Scholarships worth ₹200,000 to study abroad.
8. Free mock visa interviews with experts.
9. Pre-departure orientation sessions, setting up bank accounts abroad, help looking for accommodation and much more.

## What is Grad Right?

Grad Right is an EdF inTech start-up based in Hyderabad that offers students data-driven, personalised recommendations for Master's programs abroad and offers ways to fund them through their education loan bidding platform. Grad Right's on-line tools and apps are completely free to use for students.
