'Environment Protection – Need for an Hour'

On the occasion of World Environment Day, G. Narayanamma Institute of Technology and Science (for Women) Shaikpet, Hyderabad in association with Pure Earth Foundation (PEF), Hyderabad, organized a seminar on 'Environment Protection – Need for an Hour' on 08th June 2022 at IT Seminar Hall from 10 AM to 1 PM. Around 130 delegates attended to the seminar.

Formal Inaugural session was held with the welcome address by Dr. K. Syamala Devi, Assoc. Prof and event coordinator, followed by principal Dr. K. Ramesh Reddy addressed the gathering, then Dr. T. Charan Singh, HoD, BS dept. gave a speech on 'Environment Protection'. The entire event was coordinated by the Department of Basic Sciences. The speakers for the seminar was Mr. K. Krihsna Rao Garu, former DGP, Andhra Pradesh, Dr. K. Pappan Garu, Former Scientist, NRSC, Hyderabad and Dr. K. Jaya Chandra Garu, RS & GIS Consultant. Around 125 delegates attended this seminar, speakers were focused on the importance of Environmental Protection and urgent need for its protection. The theme for the World Environment Day for this year is 'Only One Earth', where entire life survives, but due to various indiscriminate activities of man such as burning of fossil fuels, deforestation, mining, construction of dams, roads and railway lines cause enormous damage to environment and its components. In this context, all speakers were concentrated on impacts of human activities on man and environment.

After the speeches of the eminent personalities, a formal felicitation of chief guest followed by the results announcement, prize distribution to all the winners and participation certificate to all the participants.
