

**G. Narayanamma Institute of Technology & Science (For Women)**  
**(Autonomous)**  
**Department of CSE**

**Research Paper Writing**

**Event Name** : Research Paper Writing

**Date(s)** : 22/11/2023

**Coordinator** : Dr.K.Prasanna, Associate Professor, CSM.

**Resource Persons** : Dr.S.Viswanath Raju, Senior Professor, CSE, JNTUH-Jagityal.

**No. of Participants** : 100

**Brief Description** : The session covers essential aspects, from formulating a clear research question to structuring a cohesive paper with logical flow. Practical tips on navigating the peer-review process and adhering to ethical standards are shared. Attendees benefit from insights into refining writing style, enhancing clarity, and optimizing for publication. The lecture equips aspiring researchers with the skills needed to produce high-quality, impactful research papers, contributing to academic discourse. Choosing which journal to publish your research in is one of the most significant decisions you must make as a researcher. Where you decide to submit your work can make a big difference to the reach and impact your research has. This session covers everything you need to know to make an informed decision about where to publish your research – all in one place.
