### Hands on website designing

Date : 23-2-2019

**Resource Person :** Mrs. Sreedevi, IT Dept , Ms. ArshiaFathima, CSE Final Year student.

#### Report :

The hands-on session on website development provided an immersive learning experience, covering key aspects of HTML, CSS, and JavaScript. Participants engaged in practical exercises, creating and styling web pages. The interactive session facilitated a deeper understanding of web development fundamentals, equipping attendees with practical skills for designing and building responsive websites.

#### Outcome:

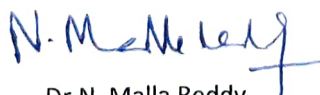

The outcome of the hands-on website development session was enhanced proficiency in HTML, CSS, and JavaScript. Participants gained practical insights into creating and styling web pages, fostering a confident understanding of fundamental web development concepts. The session's interactive nature facilitated skill acquisition, empowering attendees to apply their knowledge to design and develop functional and visually appealing websites. This event received huge response with around students actively participated from all branches. At the end students developed their own test webpage.
