Present young generation specially women, require to know the carrier options in society and also prepare for the same more smartly. There is wide scope for Start ups in today's fast growing world. Engineers are fond to be more apt to become Entrepreneur and generate employment. Thus there is a need to have awareness in Carrier Options and getting started with Entrepreneurship.

Workshop on "**Women in Entrepreneurship & Career Opportunities**" is organized by IEEE SB & WiE-AG GNITS in association with IEEE HydSec & IEEE WiE AG **on 21-1-2020.**

For a developing country many problems to be solved and these problems need technology based solutions. This seminar gave students the boost to start working on our career and solve the technology solutions.

Dr. Y.Padma Sai importance of new technologies, women in balancing life & work, good attitude, nice habits, have importance of Networking in society.

Dr. Sosin Kalyan gave students an insight carrier opportunities, Technical Jobs in private and public sector.

Mr. Sourav Karmarkar gave a brief introduction on research, Entrepreneurship, startup opportunity.

Dr. Zahoorallah S MD gave students an insight on how government and ATAL hubs encourage the students or entrepreneur with innovative ideas and start-ups, internships.

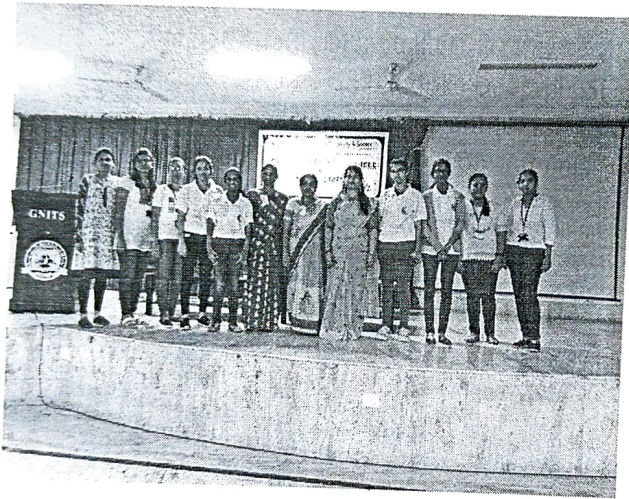

Dr. Sree Lakshmi inspired the students on importance of IEEE Student membership, & WiE Benefits, IEEE Xtreme, EPICS and Volunteering and networking.

Following is the work distribution of the faculty

1. Certificates: Ms. G. Swetha ,ETM Student:Soumya
2. Banner:Mr. Buchibabu, EEE
3. Anchoring: Ms. G.Chandrika Deepthi CSE
4. Seminar hall booking: Sravanthi
5. Required kit for the workshop: Yamini , Harini
6. Google form: Madhavi

Students Participated : 147

Outcome : The workshop on "Students in Entrepreneurship and Career Opportunities" empowered participants with insights into leadership, networking, and skill development. Attendees gained confidence, fostering a diverse and inclusive entrepreneurial environment. The event inspired students to pursue impactful careers, fostering innovation and contributing to a more equitable professional landscape.
